

X39 - STEM CELL ACTIVATION

Activates the body's own stem cell production. It elevates the GHK-cu peptide by 40% within 24 hours which resets 4000 genes to a younger state to help repair collagen in all tissues, encourages apoptosis, and discourages metastasis. Also used for better sleep, and reduced pain and inflammation. X39 is the most powerful patch for overall wellness on its own, and the basis to build on with additional patches for specific issues.
